Dillon School District Four

Superintendent's Message

Our school district is one of two districts located in Dillon County. Dillon School District Four borders North Carolina and Florence, Marion, and Marlboro counties.

Dillon School District Four has an enrollment of approximately 4100 students, which are housed in eight schools. We have an open door policy. Parents are always welcome.

Our mission in Dillon School District Four is to improve the academic performance of all students. It is at the center of all we do. Every program we implement reflects our commitment to help each child experience success.

Teachers, support staff, and administrators are committed to the on-going improvement of our district. Through collaborative efforts, we continue to provide a productive and positive environment for students. The main

focus of the district is to reinforce those practices and strategies proven by research to be most effective in impacting student achievement.

Teachers work hard to create learning environments that give students the tools they need to reach their full potential. They also focus instruction on skills that will help students become productive in the workplace and as citizens in the community.

You are invited to visit our local schools or the district office, located at 1738 Highway 301 North. Questions may be directed to my office at (843)774-1200. You may also reach me via email at rogersr@dillon.k12.sc.us.

We invite you to explore our website and find out more about Dillon School District Four and all of our schools. We are committed to doing all we can to improve public education.
